

Environmental Fact Sheet

Where we can use natural, renewable resources, we do.

Using fewer resources is good for the environment and the bottom line.

We make floors that help people work, play, shop, heal and learn better.

We use more recycled content at the start and recycle more product at the end.

Acczent®

Acczent® is part of a system that balances impact across people, the environment and the bottom line. They're part of our goal to develop solutions that use better materials, practice resource stewardship, and create people-friendly spaces while maximizing reused and recycled content.

BETTER RAW MATERIALS

Acczent® is manufactured to using the most environmentally responsible materials possible while assuring consistency in quality and performance. We use local suppliers as often as we can to reduce the environmental impact from transportation.

- Based on up to 53% natural raw materials, such as mineral fillers

RESOURCE STEWARDSHIP

Acczent® is produced in Clervaux, Luxembourg. The factory applies an environmental management system (ISO 14001). Over the last five years, our Clervaux factory made numerous improvements.

- 63% reduction in water consumption
- 29% reduction in VOC emissions to the air
- 133% increase in recycled material (sent to our plant in Lentzweiler for recycling) since 2003

PEOPLE-FRIENDLY SPACES

One of our core beliefs is that people are happiest when they are offered choices that help them balance their needs and stay true to their values. Acczent® delivers valuable health, hygiene and welfare benefits:

- The PUR surface treatment reduces the use of water, detergent and chemicals, and ensures easy and low cost cleaning and maintenance.
- Sanitized® treatment for anti-bacterial properties that support good hygiene.
- FloorScore and CHPS certified for good indoor air quality.

REUSE AND RECYCLE

- Acczent® contains up to 30% pre-consumer recycled content.
- All samples can be reclaimed and repurposed as part of our RESTART™ reclamation program.

ISO 14001 certificate no. SM/2008/32992, ISO 9001 certificate no. SM/2008/32992, OHSAS 18001 certificate no. SM/2008/32992
