Building Green with Altro

Altro is known throughout the flooring industry for products with unmatched performance and quality. But now there is even more!

Recycled Content

- Altro safety floors contain **10% lead-free post-consumer** recycled content.
- Altro Quartz Tile contains **30% pre-consumer** recycled content.
- Altro Dolce Tile contains **72% pre-consumer** recycled content.
- AltroSmooth Ethos contains **40% pre-consumer** recycled content.
- Altro Melodico contains up to **30% pre-consumer** recycled content.
- Altro Impressionist II and Walkway 20 contains **10% pre-consumer** and **10% post-consumer** recycled content.
- Altro is the only safety flooring manufacturer in the world with the ability to recycle safety flooring.

Indoor Air Quality

- Altro safety floors have been independently tested and certified for low VOCs and comply with FloorScore™ and CHPS section 01350.
- Altro safety floors require no wax or harsh chemicals to maintain.
- Altro adhesives are low VOC emitting and comply with SCAQMD #1168

Altro may contribute to LEED™ points

Our safety floors contain a bacteriostat for hygiene, have higher static load capacity to resist indentation, have longer warranties, and of course, slip resistance wet or dry to reduce owner’s liability.

No other resilient floor manufacturer gives you all the features we do!
